

# Butch Ethington

Butch Ethington is a longtime friend and partner of the Business Ethics Alliance. He assisted in no small part to the early success of the Alliance as he created ethics programming, bringing together community members within an atmosphere of safety and goodwill. Here, the Business Ethics Alliance carved out the reputation of being a facilitator of important conversations, where all views are respected and heard.

Butch used his knowledge of ethics to help Union Pacific Railroad become one of the country's premier organizations related to ethical values and behavior. In his 30 plus years with the company, Butch served in numerous roles, including Director of Internal Audit, Director of Planning and Compliance, and Director of Ethics.

Butch earned his MBA in Finance from the University of Iowa and a Bachelor's of Science in Economics from Northwestern University.
